

## Easy Relatively Cheap 4'x6' Wargame Table

### Parts List

All these items are priced from Home Depot website which is where I purchased them.

1 - 6' Folding Table - \$44.98 (You could possible get away with a four footer)

1 - 2"x3"x 8'-0" Stud - \$2.00 (cut into two 4 foot pieces)

3 - 2'x4' 5/8"thk Attic Decking - \$19.44

You can with a little bit of timing find these items on sale. I think that I got the Stud for a buck and the table for \$40. You will need a electric drill, screws,
